

Tag RF R37 Black

#3804356 | RF 8.2 MHz

Nedap RF tags belong to the best performing tags world-wide and are compatible with all RF 8.2 MHz systems. Our hard tag & accessories portfolio enables retailers to have a wide range of solutions that also function as visual deterrents. Nedap hard tags & accessories always feature the latest technologies and are produced with state-of-the-art materials to effectively prevent theft. Of course, we also design them with your merchandise and your customers in mind to make them as shopper-friendly as possible.

Tag RF R37 Black

This medium size, high performance hard tag is delivered without pin. It can be matched with either a standard black pin or with a customized (i.e. brand logo) pin. In combination with a lanyard it can also be used for shoes, bags and other fashion accessories.
