

HSM shredstar S5 - 6 mm

HSM shredstar S5 document shredder

The low cost entry level to data protection. This strip cut document shredder is the perfect device for the private sector.

Product information

The automatic reverse eliminates paper jams and ensures a smooth operation.

An integrated light barrier automatically starts the device when paper is introduced into the feed and it automatically stops after shredding is complete.

The quiet operating mode minimises noise development at the workplace which is an important consideration for your staff.

To empty the waste container, the housing top can be easily removed.
